Docket No. E-01750A-09-0149

IN THE MATTER OF THE FORMAL
COMPLAINT OF ROGER AND DARLENE
CHANTEL

COMPLAINANTS,

MOHAVE ELECTRIC COOPERATIVE
INC.

RESPONDENT.

**REQUEST FOR INFORMATION ON
December 16, CONFERENCE/HEARING
AND A REQUEST TO ISSUE THE
ENFORCEMENT ORDER**

Arizona Corporation Commission

DOCKETED

NOV 27 2013

DOCKETED BY

The Complainants inform and give notice that there are pursuing justice under the United States of American Constitution and the Arizona State Constitution, in regards to the Administrative Staff of the Arizona Corporation Commission performing its duties under Substantive Law and the issuance of the enforcement order regarding the following laws, which are, **R-14-2-211 (A) (5) (6), R14-2-202 (B) (1) (2), R-14-2-208 (A) (1) AND (F) (1)**

The Complainants and the people of Arizona who receive electricity, petition the Administrative personnel, Janice Alward, Belinda A. Martin, Steven M. Olea, and Chief Law Judge, Lyn Farmer, but not limited to, of the Arizona Corporation Commission, to issue the enforcement order to Mohave Electric Cooperative. The complainants respectfully ask the above Administrative staff members to supply a copy of all procedural

1 rules that they intend to use, refer to or invoke in the
2 December 16, 2013 hearing/conference. All rules presented or
3 intended to be part of this hearing/conference shall reveal the
4 authority that they were created by, the date the rule was first
5 brought into existence or first date of enforcement.

6 The Complainant fears that the Administrative staff of the
7 Arizona Corporation Commission is going to use their powers, or
8 exert a new form of government to take his and citizens' of the
9 State of Arizona, rights and liberty away who use and receive
10 electricity. There is evidence that rights, liberty and the
11 pursuit of happiness are being taken from the Complainant and
12 the citizens of the State of Arizona.

13 Under United State of America's Founding Documents and the
14 State of Arizona Constitution, the Government's Agency known as
15 the Arizona Corporation Commission shall reveal all laws or
16 rules that will be considered at this hearing/conference. The
17 Administrative staff shall disclose the full intent of this
18 hearing/conference and what it hopes to achieve at this
19 hearing/conference.

20 This information shall be supplied to the Complaint 10 days
21 before the hearing date.

22 The Founding Documents of our Nation and that of the State
23 of Arizona are Common Law/Substantive Law. A hearing on laws not
24 sanctioned by the people being governed under Common
25 Law/Substantive Law is evidence that this body is creating a new
26 form of government. I submit a copy of the enforcement order
27 that is the responsibility of all members of this government
28 agency to issue, support and enforce after the issuance. It is
29 clear that this enforcement order needs to be issued. It has
30 been months and Steven Olea has not set up meeting for
31 inspection of unsafe lines and no one has responded to an
32 emergency request for electricity. These are just a few of the

1 injustices and actions that are evidence of this group of people
2 that are at the beginning state of treason against the people of
3 the State of Arizona. Copy of the enforcement order included.
4 It is time to issue this order.

6 Respectfully submitted on November 26, 2013.
